Under the heavy pounding of the Austrian artillery Italian forces have been compelled to withdraw from portions of their lines in 'he region of Trent, which had been bombarded for three days. An official communication from Rome admits the evacuation of the Zegnatorta position, in the Lagarina valley south of Trent, and also the line between the Terrangnola valley and the upper Astico from Monte Maggio to Sagilodaspio.

The Russian advance in the Caucasus the two opposition from the Turkish forces. Constantinople claims that attacks by the Russians in the regions of Bitlis and Ealburt were repulsed. Petrograd reports only "insignificant encounters" along the entire front.

material and provisions.

During the day the Germans made no infantry attacks from their newly won positions on the left bank of the Meuse in the Verdun region, according to Paris. The artillery struggle, however, continues most violent on the front of the Avocourt Wood, Hill 304 and Le Mort Homme. The Artillery action has not been so great on the right bank of the Meuse and in the Woevre. Aeroplane bombarding expeditions continue on both sides.

The estente aliled submarine campaigne against German shipping in the Ealtic sea continues, the sinking of the German steamer Tarve by an of the French coasting steamer Mira were lost when that vessel was torpedoed and sunk in the Mediterranean sea May 16, according to a discontinue on both sides.

INCREASE IN WAGES FOR CONNECTICUT CO. TROLLEYMEN Employee Have Accepted the Offer of Prohibition, Suffrage, Preparedness the Company.

YALE STUDENT SUES

Claims of \$20,000 Damages for Injury Received at East Haven.

New York, May 19.—Yale students estified for both sides today in a suit ought by a fellow student, Robert Theobold, '17, of Toledo, against a New York, New Haven and Hartford Railroad, for \$20,000 damages for injuries which he asserted he suffered when he was struck by a train at Dast Haven, Conn. The jury was or-dered to return a sealed verdict Monday morning.

Theobold alleged that while standing

on the station platform with a party of about fifty students who were on a teological survey, he was injured by a passing train, the engine of which projected beyond the edge of the platform. Five of the students who were with him, including Daniel Wilson and Le son of the president of the lard, Jr., son of the president of the Baltimore and Ohlo railroad, testified for the railroad and three for Theo-

Mayor Mitchel and Senator Thompson at Odds.

Earlier in the day when the contro versy between Mayor Mitchel Senator Thompson had reached acute stage, the mayor accused the senator of "cumulative treachery" to the United States because the committee chairman insisted on going had protested that to do so might involve the federal government in grave international complications associated by him with the munitions contracts. by him with the munitions contracts. Thompson insisted the United States was in no way involved. He was surported in this contention by District Attorney Swann. The mystery was deepened tonight when United States H. Snowden Marshall issued a statement declaring "any publication of the facts in the case at this time would be most regrettable from the standpoint of the administration of federal justice." "I have made inquiry into the circumstances concerning the investigation now going on into the investigation now going on into the listening on the wire of Seymour & Seymour," Mr. Marshall said, "and find down a siding with such force that it sent the car in which Constinata was at work over the embankment and down into High street where it brought up against a telephone pole. The lumber in the car shifted and pinned Constinata underneath. Fully fifty

Mr. Woods, in his testimony, failed o make any disclosures regarding an atternational plot.

international plot.

The greater part of the day was spent by the committee in secret session. Late in the afternoon after the occupants of the offices of Seymour & Seymour had been examined by District Attorney Swann, it was announced that the committee was satisfied no crime had been committed by the Seymours or the other men who shared their offices. A few minutes later a public inquiry into the secretary that it would be unsafe to who shared their offices. A few minutes construction of off burning battle craft unless an indequate reserve of fuel was in sight. Mr. Daniels submitted a full summary of the situation and the president began studying the problem immediately, as the bill probably will be taken up in the senate next week.

"WAR EXPOSITION" FOR

CHARITABLE PURPOSES on Attraction in Berlin for Several Months.

May 19.—The latest attraction in Several months for open for several months for a purposes, are the cheests and caused the installation of telephonic devices. It already had been announced by the district attorney that the Burns detectives were engaged by the firm of J. P. Morgan & Co., from whose offices had been piffered official messages from the French government relative to the munitions supplies. It was alleged this information was sold to munitions manufacturers to enable munitions manufacturers to ensithem to make satisfactory bids.

Buenostrico and Melquaides Chapa, Mexicans, convicted of the murder of A. L.
